

SIO-MALABA- MALAKISI

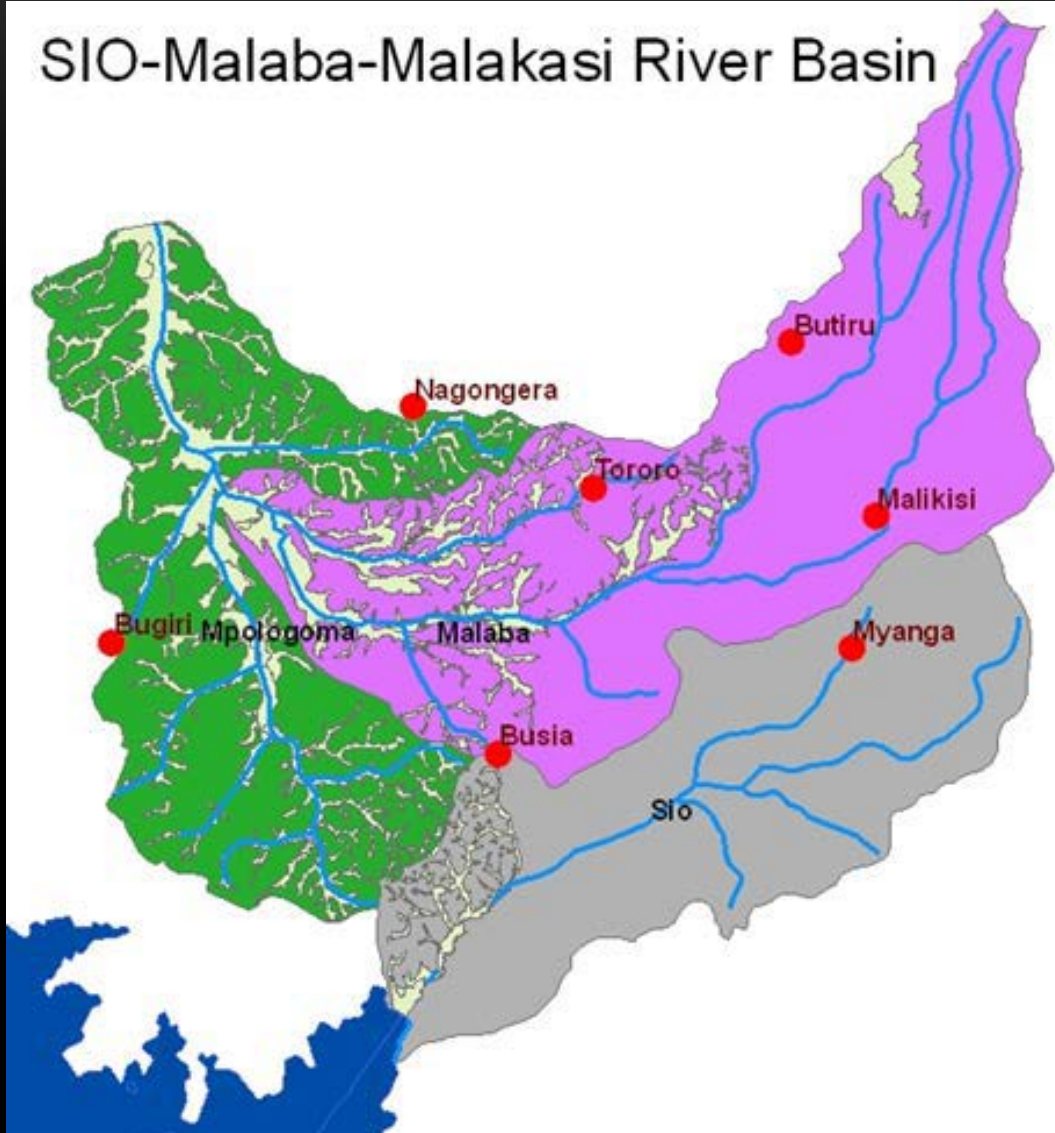

TRANSBOUNDARY PROJECTS

STEP 2

ANALYSIS & RATING OF MAPPED
PROJECTS

Simon Thuo
Resilience Centre, Nairobi

SIO-Malaba-Malakisi River Basin

METHODOLOGY

1. projects identified and documented by the NELSAP SMM project but not yet funded;
2. existing projects identified during the SMM key stakeholders' consultative meeting that took place in Entebbe in January 2018;
3. existing projects indicated to consultant by relevant catchment and local authorities during a field visit to the basin that took place in February 2018, and
4. packaging of one project combining several smaller sub-catchment management plans (Kenya's Eastern SMM Water Security and Development project).

Kenya	Uganda
SMM county govt (Busia, Bungoma and Kakamega), WARA, Lake Victoria North Water Services Board, reviewed by the Kenya TAC	Discussed with DLG, prepared by MWE technical officers responsible for the Kyoga Catchment Management Zone; reviewed by the Uganda TAC. <i>Derived from elaborating components of the Mpologoma Catchment Management Plan for the SMM area</i>

CRITERIA

FOR RATING OF MAPPED PROJECTS

KEY PARAMETERS

1. Strong transboundary dimension- will promote cooperation between Kenya and Uganda or has significant positive impacts across the border
 2. Strongly aligned with policy objectives –global, national, and basin
 3. Not likely to encounter significant barriers to implementation - technological, social, cultural, political, or institutional
 4. Likely to be financially sustainable – efforts to control costs, funding sources identified, likely cover long-term costs
-

	Project	Budget	Country	Rating
1	Malaba Irrigation	USD 2.2 million	Both	5.0
2	Eastern SMM Water Security and Development (combining six SCMPs)	USD 5.2million	Kenya	4.6
3	Sio-Sango Irrigation	USD 37 million	Kenya	4.4
4	Toloso SCMP	USD 9 million	Kenya	4.4
5	Lwakhakha Hotspots	USD 0.8 million	Uganda	4.2
6	Community-based Wetlands Management NELSAP	USD 6.7 million	Both	4.0
7	Food Security	USD 22.7 million	Kenya	4.0
8	Angolola Dam NELSAP	USD 67.1million	Both	4.0
9	Solid Waste NELSAP	USD 9.2 million	Both	3.8
10	Nyabanja Irrigation NELSAP	USD 23.3 million	Uganda	3.6
11	Stormwater Drainage Master Plans NELSAP	USD 3.2 million	Both	3.4
12	Bulusambu Small Multi-purpose Reservoir	USD 10 million	Kenya	3.4
